

Completing HOMA2 license agreements:

Please see the terms and conditions for use of the calculator on our website.

<http://www.dtu.ox.ac.uk/homacalculator/index.php>

Please download the relevant license application form from the website download page, complete and return as per instructions.

For commercial applications the license cost is £XXXX (+ VAT where applicable) and payment by BACs transfer is required. Details are provided on the application form.

Print the agreement, and complete as follows:-

Page 1. Leave the date blank. Enter your legal company name at (2)

Page 2. Leave the date blank. Complete the remaining four boxes with your legal company name, where the company is registered, the company registration number and the registered office location

Page 9 – Schedule 2 Complete Territory (Countries/Region where the calculator will be used), Purpose (precisely what you will use it for) and 'Licensee's Contact and Address'. This should be the principle user.

Page 10. Enter the legal company name on the dotted line. Print your name and position below, and sign.

Scan and return the agreement to [homa.calculator@dtu.ox.ac.uk](mailto:homa.calculator@dtu.ox.ac.uk) for authorisation by a representative of Oxford University. A fully executed copy will be returned to you together with links to download the software (if a commercial agreement, this will be upon receipt of payment).
