Visas & Immigration

If you think you might require a visitor or Tier 5 visa for your stay or have entered the country with a visa, please contact your HR team for advice. Health and Safety

It is the University's responsibility to provide a safe working environment and the visitor's responsibility to work in a safe manner. On arrival, you must arrange an appointment with your Divisional Safety Officer (DSO) to discuss safety before you start work. If you are changing the location/focus of your work you must also speak to the DSO to ensure you have the necessary information. The University Safety Policy can be found at www.admin.ox.ac.uk/safety.
