Outside Appointments

RDM is required to hold information on the number of days spent by staff on outside appointments. These include consultancies, directorships, and also private practice, anything outside of your normal University duties. All outside appointments have to be approved by the Head of Department, and also University Research Services if appropriate. Please talk to your departmental administrator / business manager in the first instance. For more info: http://www.admin.ox.ac.uk/personnel/staffinfo/handbook_acrel/code_s/out_appoint/

As a support staff, academic or academic-related employee of the University, you will therefore be automatically enrolled in one of the University's pension schemes from the day you join the University.

All queries regarding your membership should be directed to the Pensions Office, Telephone: 01865 (6) 16133 Further details can be found at

Regrading & Promotion

Severe Weather Guidance

If you are unable to travel to your place of work due to severe weather, contact your line manager prior to your normal start time, or as soon as possible thereafter.

The detailed guidance including alternative options that must be agreed with your line manager, can be found at www.admin.ox.ac.uk/personnel/cops/severeweather

Sickness Absence

If you are unable to come to work because of illness, notify your line manager by 10am on the first day of your absence. If you are unable to contact your line manager, leave a message with your HR team in the first instance on **01865 (2) 21325**.

Sickness absence forms must be completed, even for half-day absences, and signed by your line manager upon return to work.

These forms should be sent to your HR Office. **A self-certification sickness absence form can be downloaded from:**
<http://www.imd.ox.ac.uk/forms>

For absences of more than 7 days, and where you have not yet

returned to work, your line manager should inform the HR Team.

A doctor's certificate is required for absences over 7 calendar days. These forms should be forwarded to the HR Team. If you require a doctors' note for your sickness absence, the doctor's note is renewed as necessary to ensure there are no gaps in your absence. You should not return to work whilst a doctor's note is still valid. If you are feeling better and feel you can return to work before the end of your current doctor's note, a fit note should be obtained from the doctor. It is important that your line manager is kept informed of the status of your absence. **It is especially important to keep your line manager informed if you are a visa holder, or your absence may be treated as an unauthorised absence and your visa may be cancelled.**

If you have any queries or concerns regarding sickness absence contact the HR team.

Tax

Queries about income tax and payroll deductions should be directed to your local HR officer (hr@rdm.ox.ac.uk) in the first instance. Tel. **01865 (2) 23135**

University's Statutes, Policies and Regulations can be found at: www.admin.ox.ac.uk/lso/statutes/

Travel Insurance

Information and travel insurance forms can be found at:

www.admin.ox.ac.uk/finance/insurance/travel/

Completed forms should be sent to the Finance Team. Please note that the University offers competitive travel insurance rates for attendance at conferences and University-business.

Visas & Right to Work in UK

The UK Home Office immigration rules are complex and the consequences of non-compliance can be severe for the University. All new RDM employees and visitors are asked to provide evidence of their right to work in the UK. Your local HR officer will advise you of what documentation to bring with you.

Sponsored migrants on Tier 2 or Tier 5 visas have additional responsibilities, in particular with regards to letting the HR team know of any changes in contact details or immigration status, changes in job details as recorded on the Certificate of Sponsorship and notifying absences. Further details will be provided to you. For additional advice, please contact your HR officer on 01865 (2) 23135.
