WEDNESDAY SEMINAR

There is no Wednesday Seminar this week.

FRIDAY SEMINAR

There is no Friday seminar this week.

MEDICAL GRAND ROUNDS

There is no medical grand rounds this week

WELCOME

Welcome to Rui Gao who is a visiting PhD student with the Rorsman Group until September.

DIESEL GENERATOR TEST

Just to remind you that July standby generator tests will take place on Thursday and Friday this week.

Please note that in ALL cases there will be unavoidable power cuts at the start (about 20 seconds) and at the end (about 15 seconds) of the test.

Areas affected:

Thursday 18th July 10.00 – 12.00 OCDEM Server Room/Ward

Friday 19th July 08.00 – 10.00 OCDEM Main Building

WINDOWS 10 MIGRATION

You may be aware that Microsoft support for Windows 7 will end on 14th January 2020. This means that they will no longer provide security updates or technical assistance for computers running Windows 7 and as such these machines will be vulnerable to security risks. In order to ensure your computer remains protected Microsoft recommends moving to Windows 10 before January 2020.

MSD IT has been installing Windows 10 as default on new or needing-repair machines for some time now and we have made significant progress in updating the managed desktop estate. MSD IT are now actively working on updating the remaining compatible Windows 7 machines to Windows 10.

Preparation

A fresh copy of Windows 10 will be installed to your computer (referred to as the Imaging Process). This process will erase your local C:\ drive so it is very important all data is backed up to your network drives in preparation. Your local C:\\ drive includes places such as 'Desktop', 'My Documents', 'Pictures' etc. It also includes other items such as mail archives, web browser bookmarks etc. **Due to the individual nature of the way we all work and organise our data we ask that you, as the primary user of the machine, take responsibility for the backup of the computer.**

The Imaging Process

At a time, convenient to you, the imaging process takes around an hour to complete, with some final setup for email and printing.

If you have any purchased software you will need the installation media and license information to reinstall it. It will also need to be compatible with Windows 10. Any University licensed software will be available from the installers menu as it was in Windows 7.

Follow Up Support

After completing the update, we will ensure your machine is working as expected and that you are able to work as before. Follow up support will then be in the usual way via email (ithelp@medsci.ox.ac.uk) or via the phone (2)80030.

CLINICAL RESEARCH TRAINING FELLOW

Grade E64: £32,569 - £52,200 p.a.

THIS IS A READVERTISEMENT, PREVIOUS APPLICANTS NEED NOT APPLY

The Oxford Centre for Diabetes, Endocrinology and Metabolism (OCDEM) has an exciting role in the group of Professor Thakker, FRS, for an experienced and qualified clinician to undertake a laboratory based DPhil project identifying novel epigenetic drug targets for pancreatic cancers.

The work will be focused on performing basic science techniques to examine the epigenetic landscape of exocrine and endocrine pancreatic tumours. This will identify common or inverse signatures regulating the expression of proliferation-associated genes that can subsequently be targeted using epigenetic modulating drugs. This role offers the postholder the opportunity to develop an understanding of pancreatic cancer biology, and learn diverse state-of-the-art scientific laboratory techniques, in an academic environment.

The post would suit trainees specialising in endocrinology, oncology, pathology, gastroenterology or endocrine surgery, interested in pursuing a clinical-academic career.

Applicants must be qualified with an MBBS level or equivalent, fully registered with GMC and permitted to practice medicine in the UK. Applicants will ideally have commenced or completed Core Medical Training or a medical specialty equivalent, with MRCP (or equivalent). Motivation to complete a DPhil, excellent communication skills, and the desire to pursue a career in academic medicine are essential for this post.

The post is full-time for a fixed-term of 3 years.

Please quote vacancy number 141258 in all correspondence.

Only applications received before 12.00 midday on 15 July 2019 can be considered.
Interviews are scheduled for 31 July 2019

Week commencing 15th July 2019

Any **expense claims and payment requests** must be with Karen Parish by **close of business Tuesday 16th July**.

All **sterling cheques/cash** that need to be banked must be with Karen Parish by **close of business Tuesday 16th July**.

Any **petty cash claims** must be with Karen Parish by **noon Wednesday 17th July**.

HEALTH AND WELLBEING

YOGA IN THE WORK PLACE:

13.00-14.00 Robert Turner Lecture Theatre

July - 16th, 23rd and 30th

Hi All,

I am doing the One Million Steps Challenge again this year for DUK, from July 1st to September 30th.

If you would like to sponsor me please follow the link below:

Many thanks

Karyna Gibbons

THE OXFORD WINE FESTIVAL RETURNS ON 6 AND 7 SEPTEMBER, AND THE ORGANISERS ARE AGAIN OFFERING UNIVERSITY STAFF DISCOUNTED TICKETS TO THE EVENT

The festival, taking place at the Oxford Union, will bring together over 2000 wine lovers from across Oxfordshire and the South of England. Attendees can sample over 500 wines from 40 of the UK's leading vineyards, wine merchants and regional specialists, as well as from vineyards from across the wine world whilst enjoying live jazz and artisan food. Also available is an extensive free tutored tasting programme.

To enter the prize draw to win one of two pairs of tickets send your contact details to blueprint@admin.ox.ac.uk by Friday 9 August (please write Oxford Wine Festival in the email subject line). University staff can also receive a 20% discount on the full ticket price by entering discount code **OxStaff19** on the booking page.

Please note that this offer is for Oxford University staff only. Please use your **ox.ac.uk** or **oup.com** email address for verification purposes.

For more details and to book your tickets visit www.oxfordwinefestival.org
